

Armenian Chickpea Salad

1-14 oz. can chickpeas (garbanzo beans)
3 green onions, chopped
1/2-3/4 c parsley, finely chopped (dependent on taste)
1/4 t paprika
1/4 t cumin
Juice of 1 small lemon
2 T olive oil
Salt and pepper to taste
2 cloves garlic, minced

First drain and rinse the chickpeas and place them in a mixing bowl. Add the parsley and onions as well as the paprika and cumin. Next add the juice of a small lemon. Mix thoroughly. Finally drizzle the oil around the sides of the bowl and toss it into the salad. Chill the salad and top with fresh minced garlic to serve.

(Also goes well with pitas and hummus.)
