

Small, Simple & Sweet Cherry Pie

[Shortening pie crust](#)

2-1/2 c sweet cherries, pitted

1/4 c sugar

2 T Verjooz (Cabernet Franc verjuice), or juice from a lime

1 T flour

1 T butter

Preheat oven to 375F.

In a small bowl mix the cherries, sugar, Verjooz and flour. Roll out a single shortening pie crust and line a 4-inch-by-4-inch baking dish with the pie crust. Pour in the cherry mixture and top with the remaining pie crust (lattice if desired). Rub the butter over the top of the pie. Bake the pie at 375F for 45 minutes, or until the top is golden brown and the filling is bubbling. Serve warm with cream or ice cream if desired.
